THE SCHOOL CAFETERIA

Every noon Laurent Rémy, our French chef, cooks for up to 65 children and teachers. The menu he offers varies between French, German, Italian and Indian fare, the idea being to provide a varied and - needless to say - nutritious meal, whether this be in the form of Croque Monsieur, Kalbschnitzel (escalope of veal), Lasagne or paneer with vegetables.

The children should be given the chance to savour different kinds of spices, fruits and vegetables to further develop their sense of taste. Our chef does all the shopping personally and then prepares the ingredients in the school kitchen himself. Of course he also serves up a dessert everyday.
